Overall Length:

33.800 inches

Overall Height:

8.300 inches

Overall Width:

18.000 inches

End Application:

Automated test equipment (ate) software support

Working Surface Length:

15.750 inches

Working Surface Width:

11.200 inches

Voltage In Volts And Current Type:

120.0 ac

Unpackaged Unit Weight:

65.000 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A513h0
