Overall Length:

5.700 inches

Overall Height:

2.200 inches

Overall Width:

3.400 inches

Voltage In Volts And Current Type:

5.0 dc

Special Features:

48.000 in.Lg shielded cable; 9-pin connector on cable; 9600 baud rate; body unit color black; case material: plastic; connector manufacture code: ofst8; connector manufacture p/n; inclosure type: partially enclosed; terminal location: front end; power source: external; terminal type and qty: connector plug, 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A514a0
