Overall Length:

3.800 inches

Overall Height:

1.100 inches

Overall Width:

2.100 inches

Special Features:

Max wattage rating-75 watts; sgl phase; freq 48 and 62 hz; max voltage rating 120 vac and 240 vac

Specification Data:

58839--0142 professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A514a0
