**End Application:**

Control communications systems, an/fyq-12 (v) mps, martin marietta co

**Component Type And Quantity:**

1 harness and 1 sensor

**Special Features:**

Hnha printer is dec p/n ln08r-ca; consists of a harness 1, upper turn roller assembly 1, registration transport roller 1, preregistration sensor 1, registration transport clutch 1, upper turn clutch assembly 1

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A511I0
