Overall Length:

16.200 inches

Overall Height:

10.200 inches

Overall Width:

17.700 inches

Operating Temperature Range:

+59.0/+89.0 degrees fahrenheit

Print Speed And Color:

25.00 black and white pages per minute

Printer Type:

Laser

Unit Design:

Desk top

Voltage In Volts And Current Type:

120.0 ac

Interface Type:

ieee 1284

Special Features:

128 gray levels, two paper sources hold a total

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A506k0
