Mounting Type:

Rack

Storage Temperature Range:

-5.0/+40.0 degrees celsius

End Application:

Bay stack 10base 2 media adapter for 10mbps ethernet hubs

Special Features:

5 degrees to 40 degrees centigrade operating temperature; 85 per cent relative humidity; noncondensing operating humidity; 10, 000 feet operating altitude

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30800
