Mounting Type:

Rack

Storage Temperature Range:

-5.0/+40.0 degrees celsius

End Application:

Bay stack 10 base-t stackable hubs

Special Features:

5 degrees to 40 degrees centigrade operating temperature; 85 per cent relative humidity; noncondensing operating humidity; 10, 000 feet operating altitude

Supplementary Features:

Bay stack ethernet advanced network management module

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A30800
