**Mounting Type:**

Rack

**Storage Temperature Range:**

-5.0/+40.0 degrees celsius

**End Application:**

Bay stack 10 base-t stackable hubs

**Special Features:**

5 degrees to 40 degrees centigrade operating temperature; 85 per cent relative humidity; noncondensing operating humidity; 10, 000 feet operating altitude

**Supplementary Features:**

Bay stack aui media adapter for mbps ethernet hubs

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A30800
