Mounting Type:

Base

Alternating Current Voltage Rating In Volts:

100.0 and 120.0

Power Source:

External

Phase:

Single

Special Features:

ieee 802.3 complaint 10base-t and ethernet ver 1.0 and 2.0 compatible, ieee 802.3 complaint aui and bnc connectors for coaxial, twisted pair and fiber optic connectivity, utp uplink for network cascading

Frequency In Hertz:

50.0 and 60.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A30800
