## NSN 7025-01-460-1732

**Fiig:** A30800

Automatic Data Processing Interface Unit - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/7025-01-460-1732

End Application:
Multimedia computer periphrials
Special Features:
Integrates four channels of signal conditioning in one box; input connections are used for voltage and icp sensors
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
