Operating Temperature Range:

+0.0/+50.0 degrees celsius

End Application:

Weapon systems designator code ja, nimitz class cvn; imagery system

Unit Design:

Drawer mounted

Input Device Type:

Keyboard

Output Device Type:

Cathode ray tube

Special Features:

Glide point pointing device installed; aluminum rack enclosure

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A507b0
