Overall Length:

8.250 inches

Overall Height:

1.730 inches

Overall Width:

17.500 inches

Operating Voltage In Volts:

Between 100.0 and 240.0

Unit Design:

Desk top

Interface Type:

IEEE 488 and RJ45

Special Features:

Fasthub 424m 10/100 24 port autosensing 10/100 managed stackable repeater; snmp management information base; shipped w/power cord (RJ-45 connectors); rack mount kit; management console cable, product documentation, rubber feet; conforms to IEEE 802.3 10 Base-T and 802.3u 100 Base-TX Class II; 20 watt nom power; ac input 100 to 127 vac; 200 to 240 vac; op temp 0 to 40 degrees C; Y2K compliant

Shelf Life:

N/A

Unit Of Measure:

--

Demilitarization:

No

Fig:

A502f0
