Direct Current Voltage Rating In Volts:

12.0

Power Source:

External

Special Features:

8ieee 802.3 compliant and ethernet ver 1.0 and 2.0 compatible, direct attachment unit interface connection, switch-selectable sqe test and led, polarity detection and correction, link integrity test function and led, 10 base-2 and 10base-t compliant

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30800
