**Direct Current Voltage Rating In Volts:**

12.0

**Power Source:**

External

**Special Features:**

8ieee 802.3 compliant and ethernet ver 1.0 and 2.0 compatible, direct attachment unit interface connection, switch-selectable sqe test and led, polarity detection and correction, link integrity test function and led, 10 base-2 and 10base-t compliant

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A30800
