Overall Height:

1.650 inches

Overall Width:

5.750 inches

Operating Temperature Range:

+41.0/+122.0 degrees fahrenheit

End Application:

Control work station td-400; control workstation td-310; control workstation td-410

Design Type:

Compact disk - read only memory

Unit Design:

Internal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A505e0
