End Application:

C-12274/wlr, processor, control display

Features Provided:

Electromagnetic interference shielding

Unit Design:

Panel mounted

Product Name:

Inavy)display assembly (drawing)display assembly, c-12274/wlr(012021ad)

Special Features:

Electrostatic discharge sensitive

Type/model Designation:

C-12274/wlr

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A506z0
