Mounting Type:

Rack

Power Source:

External

Special Features:

Power consumption - 50 w; thermal rating - 170 btu/hr. Max; 50-60 hz ac line frequency; 0-50 degrees c operating temperature; scalable from 12-192 nodes; web-based management; delivers ieee 802.3e 10base-t connectivity to support 10 megabit per second; includes 24 rj-45 ports

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A30800
