**Mounting Type:**

Rack

**Power Source:**

External

**Special Features:**

Power consumption - 50 w; thermal rating - 170 btu/hr. Max; 50-60 hz ac line frequency; 0-50 degrees c operating temperature; scalable from 12-192 nodes; web-based management; delivers ieee 802.3e 10base-t connectivity to support 10 megabit per second; includes 24 rj-45 ports

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A30800
