Overall Length:

22.000 inches

Overall Height:

5.900 inches

Overall Width:

17.500 inches

Current Rating:

2.500 amperes

Wattage Rating:

120.000 watts

Voltage In Volts And Current Type:

120.0 ac

Functional Description:

Provides the connection between the hsg80 raid controller

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
