**Illuminated Location:**

Front

**Special Features:**

24 base ports (10/100base t) cam size-3k, 8 mb flash memory, 32mb dynamic memory, layer 3 support- ip/ipx, hre plus advanced routing software

**Functional Description:**

Workgroup applications with ethernet workstations and atm or gigabit ethernet servers

**Relationship To Similar Equipment:**

Similar to allied telesyn switch module model number at-fh712sw

**Type/model Designation:**

Os-5024

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T122-c
