Overall Length:

8.700 inches

Overall Height:

1.240 inches

Overall Width:

8.350 inches

Key Quantity:

101

Computer System Type:

Ps/2

End Application:

Bridge control, electric power generator system

Unit Design:

Desk top

Interface Type:

Ps/2 special connecting plug

Key Type:

Push button

Special Features:

Ki6000 series, backlit red nema 4; sealed keyboard gray silicon w/white legends, aluminum enclosure and bottom plate driftwood (putty) power coated, gasket seal (silicon rubber), standard waterproof 5 foot cable, foam rubber foot 0.1 thick (x4) and sealed mounting holes (x2) 6-32 thread 1/4" deep

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A509m0
