Power Source:

External

Special Features:

Netscreen-500 i/o module dual port mini gbic-sx; short wavelength, 100 base sx; 850 nm wavelength; 722 ft maximum cable distance; contains class 1 850 mn laser for 1000 base sx applications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A30800
