Overall Length:

7.100 inches

Overall Width:

15.900 inches

Key Quantity:

104

Operating Temperature Range:

+32.0/+122.0 degrees fahrenheit

Computer System Type:

Ps/2

End Application:

Computer assembly

Unit Design:

Desk top

Interface Type:

Ps/2 special connecting plug

Key Type:

Push button

Special Features:

Full-travel sealed contact technology with membrane contacts, color: beige

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A509m0
