Environmental Protection:

Weather resistant

Maximum Voltage Rating In Volts:

9.0 dc

Power Source:

External

Mounting Method:

Stationary

Maximumlength:

6.000 inches

Product Name:

Lcd signature capture terminal

Special Features:

Pressure sensitive echnology, Icddisplay window, electronic signature

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A31700
