**Environmental Protection:**

Weather resistant

**Maximum Voltage Rating In Volts:**

9.0 dc

**Power Source:**

External

**Mounting Method:**

Stationary

**Maximumlength:**

6.000 inches

**Product Name:**

Lcd signature capture terminal

**Special Features:**

Pressure sensitive echnology, Icddisplay window, electronic signature

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A31700
