Mounting Type:

Rack

End Application:

Computer using network software

Furnished Items And Quantity:

Fast ethernet switch 1, power cord 1, rack mount kit 1, user guide 1

Power Source:

External

Input Intelligence Type:

Analog

Output Intelligence Type:

Analog

Product Name:

Fs590t 8 port 10/100 fast ethernet switch

Special Features:

Copper gigabit uplink, 8 switched 10/100 mbps ports, auto uplink on all 9 ports, non-blocking performance automatic speed and duplex sensing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A30800
