Overall Length:

5.000 inches

Overall Height:

2.200 inches

Unit Design:

Panel mounted

Interface Type:

Rs 232c and rs 422

Special Features:

Ball size 3 in, serial 9 pin, theideal rapid and accurate pointing device for, kiosks, limited space, harsh environments, industrial control statios, medical equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A514a0
