Mounting Type:

Rack

End Application:

Des-3226 layer 2 switch

Power Source:

External

Input Intelligence Type:

Analog

Output Intelligence Type:

Analog

Product Name:

2 port gigabit ethernet module

Special Features:

Full compliant with ieee 802.3 x 1000 base sx standard optical wavelength 850nm, cable connectivity type ethernet 1000 base-sx

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30800
