Wattage Rating:

325.000 watts

Product Name:

Proliant dl servers

Special Features:

Krack mount; intel xeon 533 mhz fsb processor with 512 kb and 1 mb processor cache; concentrated 1u computer power upto to two 2.4, 2.8, 3.06 ghz/512 kb, 3.06 ghz/1mb ghz, or 3.2 ghz/1mb intel xeon processors with 533 mhz system bus; processor 2.4 plus ghz xeon, 533 mhz front side bus, 2p; processor cache 512 k l2 or 1mb l3; fsb 533 mhz; drive controller embedded smart array 5i+, with 64 mb memory, optional bbwc; nic dual 10/100/1000; memory pc2100, 266 mhz, 2: 1 interleaved; drive bays 2-1.0 inch, u320 drives only; management embedded ilo; i/o slots 1 or 2 pci-xslots, 1 with redundant power installed, 2 without; maximum memory 8 gb ecc sdram; power supply hp, redundant; fan non-hp, non-redundant; chassis 1u; power 325 w

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
