Overall Length:

16.920 inches

Overall Height:

2.150 inches

Overall Width:

10.500 inches

End Application:

Bowman fast track

Keyboard Type:

Qwerty arrangement

Features Provided:

Ergonomic design and ruggedized

Unit Design:

Desk top

Interface Type:

Scsi

Key Type:

Push button

Special Features:

Spill proof/dust proof construction; sealed precision stainless steel bearings; stainless steel encoder shafts

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A509m0
