End Application:

Sandown class mine countermeasure vessel

Operating Voltage In Volts:

5.0

Wattage Rating In Watts:

4.0

Product Name:

Ethernet switch

Special Features:

Single slot 6u vmebus; eight 10/100mbps auto-negotiating ports; full wire speed layer 2 switching on all ports; operating temperature minus 40.0 degrees c to plus 85.0 degrees c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A502f0
