**Mounting Type:**

Rack

**End Application:**

Ground systems communications

**Power Source:**

External

**Input Intelligence Type:**

Digital

**Output Intelligence Type:**

Digital

**Product Name:**

Ethernet switch

**Special Features:**

16 port gigabit ethernet switch with 12 fixed sx gigabit ethernet ports with 4 gbe gbic based ports (sc) (unpopulated)-single psu, basic layer 3 extremeware

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A30800
