Mounting Type:

Rack

End Application:

Ground systems communications

Power Source:

External

Input Intelligence Type:

Digital

Output Intelligence Type:

Digital

Product Name:

Ethernet switch

Special Features:

16 port gigabit ethernet switch with 12 fixed sx gigabit ethernet ports with 4 gbe gbic based ports (sc) (unpopulated)-single psu, basic layer 3 extremeware

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30800
