Mounting Type:

Bracket

Power Source:

External

Input Intelligence Type:

Digital

Output Intelligence Type:

Digital

Product Name:

Pcisa ulv intel celeron 400 mhz cpu card with lcd/crt vga, dual lan, usb 2.0 & audio

Special Features:

Embedded ulv intel celeron 400 mhz, via 8606 integrated graphic engine with ttl/lvds interface, pc133 sdram memory with so-dimm support upto 512 mb, lan, usb 2.0 multi-com, audio integrated

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A30800
