Mounting Type:

Rack

Unpackaged Unit Width:

17.30 inches

Unpackaged Unit Height:

1.70 inches

Power Source:

External

Input Intelligence Type:

Analog

Output Intelligence Type:

Analog

Product Name:

Hp procurve switch 2650 switch 48 ports

Special Features:

Trunking, stackable, manageable, flow control, vlan support, bootp support, auto negotiation, auto sensing per device

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A30800
