Mounting Type:

Rack

Unpackaged Unit Width:

17.30 inches

Unpackaged Unit Height:

1.80 inches

Power Source:

External

Input Intelligence Type:

Analog

Output Intelligence Type:

Analog

Product Name:

24 port managed network switch

Special Features:

Flow control, auto sensing, auto correction

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A30800
