Overall Length:

25.500 inches

Overall Height:

1.700 inches

Overall Width:

18.900 inches

Operating Temperature Range:

+32.0/+122.0 degrees fahrenheit

Image Refresh Rate In Hertz:

60.0

Display Type:

Liquid crystal

Features Provided:

Ruggedized

Accessory Components And Quantity:

1 cable assembly and 1 anti-glare screen

Unit Design:

Rack mounted

Voltage In Volts And Current Type:

230.0 ac

Product Name:

Gemini 19 av fold down

Interface Type:

Rs 232c

Highest Display Capability:

Vga

Diagonal Display Size In Inches:

19.1

Display Resolution:

1280 horizontal and 1024 vertical

Special Features:

Flat panel display

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A506z0
