**Direct Current Voltage Rating In Volts:**

10.0

**Power Source:**

Self-contained

**Special Features:**

Ni daqcard 6062e for pcmcia; 500 ks/s; 12 bit resolution; 16 analog input multifunction daq; use for handheld data acquisition applications; built in signal connectivity; 4 ranges: 1v to 100mv; 2 counter/timer; ttl; requires 1 cable; 1 connector block, 68 pin vhdci female connector; portable data acquisition; 0.1 ohm output impedance

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A30800
