Direct Current Voltage Rating In Volts:

10.0

Power Source:

Self-contained

Special Features:

Ni daqcard 6062e for pcmcia; 500 ks/s; 12 bit resolution; 16 analog input multifunction daq; use for handheld data acquisition applications; built in signal connectivity; 4 ranges: 1v to 100mv; 2 counter/timer; ttl; requires 1 cable; 1 connector block, 68 pin vhdci female connector; portable data acquisition; 0.1 ohm output impedance

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30800
