NSN 7025-01-552-4902

Automatic Data Processing Interface Unit - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/7025-01-552-4902

Power Source:
External
Input Intelligence Type:
Analog
Output Intelligence Type:
Analog
Special Features:
One cable supplies both power and all external connections to the usb module; hot swapping capability; compact measurment system
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
A30800
