Mounting Type:

Rack

Alternating Current Voltage Rating In Volts:

100.0 and 240.0

Special Features:

Reverse mounted; 24 fixed 10/100 copper ports and 1 port module slot; slot configured for 10/100/1000 6k fiber and copper port connector; 32 ports ; wire speed filtering; 240kb packet buffers

Frequency In Hertz:

47.0 and 63.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30800
