Overall Length:

20.400 inches

Overall Height:

9.800 inches

Overall Width:

17.200 inches

Operating Temperature Range:

+0.0/+40.0 degrees celsius

Display Type:

Liquid crystal

Unit Design:

Desk top and portable

Voltage In Volts And Current Type:

240.0 ac

Interface Type:

Rs 232c

Highest Display Capability:

Vga

Diagonal Display Size In Inches:

22.0

Display Resolution:

1680 horizontal and 1050 vertical

Special Features:

360 degree swivel; tilt; 3.200 in ht adjustment; w/lcd display; vga and power cables; audio cable; viewsonic wizard cd; quick start guide

Type/model Designation:

Vg2230wm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A506z0
