**Overall Length:**

5.750 inches

**Overall Height:**

1.000 inches

**Overall Width:**

4.000 inches

**End Application:**

Online transaction processing, enterprise, internet, email and e-commerce servers, mission-critical, high-performance raid environments, database server applications, data warehousing and mining, storage area network (san) and network attached storage(nas) , high-performance computing multiuser multimedia, digital a/v and image processing, graphics and medical imaging, and scientific workstations

**Design Type:**

Hard card

**Unit Design:**

Desk top

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A505e0
