**Overall Length:**

5.787 inches

**Overall Height:**

1.028 inches

**Overall Width:**

4.000 inches

**Operating Temperature Range:**

-32.0/+140.0 degrees fahrenheit

**End Application:**

Flight simulator; mk41 helicopter; training

**Design Type:**

Hard disk

**Unit Design:**

Internal

**Product Name:**

Wd caviar blue sata hard drive

**Interface Type:**

Eide

**Drive Quantity:**

1

**Data Storage Capacity:**

500.00 gigabytes

**Drive Size:**

5.25

**Special Features:**

Shockguard to prevent damage from bumps and vibration while it is running; sata interface; data transfer rates for eide 100mb/sec and sata 3 gb/sec

**Unpackaged Unit Weight:**

0.63 kilograms

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A505e0
