## NSN 7025-01-567-3631

Data Transfer Interface Unit - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/7025-01-567-3631

Overall Length:
2.710 inches
Overall Height:
0.790 inches
End Application:
Memory stick, compact flash type i and ii, sd, microdrive, mmcplus and more
Product Name:
Kingston flash memory
Special Features:
Operating temperature: 32 degrees to 140 degrees f/0 degrees to 60 degrees c; storage temperature: -40 de to 185 degrees f/-20 degrees
to 85 degrees c; spee rating: usb 2.0, up to 480 mbps data transfer speed; weight: 0.1585lbs (71g); operating systemcompatibility:
windows 2000 (sp3 and above), xp (spi and above) and vista
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A502f0
