Ac Voltage Rating:

Between 100.0 volts and 240.0 volts

Electrical Power Source Relationship:

Alternate operating

Sectionalized Feature:

Not included

Product Name:

Wireless projector adapter

Special Features:

Compact size; full video playback at 30 frames per second in vga resolution in video mode and xga in graphics mode; auto download utility software via web browser; ethernet port; stereo quality audio support

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T122-c
