Mounting Type:

Rack

Storage Temperature Range:

-40.0/+70.0 degrees celsius

Special Features:

Horizontal surface mounting only; packet buffer size: 144 kb; ram/rom capacity: 128 kb; 8 auto-sensing 10/100/1000ports (ieee 802.3 type 10base-t, ieee 802.3u type 100base-tx, ieee 802.3ab type 1000base-t)address table size: 8, 000 entries; routing/switching capacity: 16 gbps; throughput: up to 11.9 million pps

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30800
