Overall Length:

16.400 inches

Overall Height:

7.500 inches

Overall Width:

15.300 inches

Operating Temperature Range:

+41.0/+95.0 degrees celsius

End Application:

Upgrade early warning syste (uews)

Display Type:

Liquid crystal

Unit Design:

Tilt/swivel base

Product Name:

Monitor, flat panel

Highest Display Capability:

Rgb

Diagonal Display Size In Inches:

19.0

Display Resolution:

1280 horizontal and 1024 vertical

Special Features:

Display area horiz 14.8", vert 11.9"; storage temp range 14deg to 140deg f; operating humidi type 30-80%, storage 10-85%; operating altitude 0-10000ft, storage 0-40000ft

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A506z0
