Overall Length:

25.750 inches

Overall Height:

1.750 inches

Overall Width:

19.000 inches

Display Type:

Liquid crystal

Unit Design:

Rack mounted

Voltage In Volts And Current Type:

5.0 dc

Product Name:

1u rack-mount 17" samsung lcd monitor keyboard drawer with solidtech keyboard and touchpad mouse, in ps2 interface black

Interface Type:

Din

Highest Display Capability:

Rgb

Display Resolution:

1280 horizontal and 1024 vertical

Special Features:

High brightness (280 cd/m squared) and contrast ratios (1000: 1); viewing angle both horizontal and vertical of 178 degrees; ac input is 90-260vac; frequency is 50/60 hz; power consumption is 60 watts maax; has kb connector of ps/2; mouse has ps/2 mini-din connector; interface connector is ps/2 or usb

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A506z0
