Overall Length:

8.750 inches

Overall Height:

1.750 inches

Overall Width:

17.250 inches

Unit Design:

Rack mounted

Product Name:

Zero power high availability (zpha) device

Special Features:

Designed to retain constant network connectivity and productivity; auto detects power loss and immediately provides redundant network connectivity preventing down time; usb a and b port types

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A502f0
